Course Options

Option One Is a course that covers twelve home works which you complete within an allocated 16 weeks. You will study at home from a set syllabus covering all the topics. Once each home work is completed and returned to the office for marking, you will receive an assessment and feedback on your progress. On completion of all your home works you will then sit the examination.

The cost of **Option One** is £440.00 per Subject

This is broken down as £295.00 for the course and £145.00 for the examination

Please Note You do not have to pay for your exam until you have completed the course.

Option Two Is examination only. You will be sent the syllabus but you have to choose your own mode of study.

The cost of **Option Two** is £145.00 per examination. Please note that this is a fast track way to achieving your aims and you should not enter without the appropriate commitment and dedication required.

Terms & Conditions

- 1 Please ensure that the University, School or Training provider that you are applying to accepts our equivalency examination.
Equivalency Testing has agreed to provide you with the course/examination for the University, School or Training provider that you entered on the application form.
If you change your University, School or Training provider, Equivalency Testing will not be held responsible if they do not accept our Equivalency Examination.
- 2 On completion of the admissions form, and returning the form to this office you have made a commitment and are therefore willing to take up the option of your choice.
- 3 If you are applying for the home study course you will be given a start and completion date. If by that date you have not completed the course you will not be able to return any outstanding homework for marking. It is your responsibility to ensure that you complete the course within the dates given.
- 4 The Examination paper(s) can only be sent to an educational establishment and for the attention of the Head Teacher, Deputy Head, Exams Officer, Nursery Manager or Deputy Manager.
- 5 If you withdraw from either option there will be no refund.
- 6 If the examination does not take place on the specified date, and no alternative date has been agreed with Equivalency Testing, then the examination becomes void.
- 7 The Examination paper(s) remain the property of Equivalency Testing and will not be given back to the candidate.
- 8 Additional costs that will apply
 - i) Replacement of Certificate or confirmation of result letter £20
 - ii) Examination paper(s) sent within the E.U. (Excludes U.K) £25
 - iii) Examination paper(s) sent to non E.U. countries £50
 - iv) Home study sent within the E.U. (Excludes U.K) £60
 - v) Home study sent to non E.U. countries £70
